

RxSafe Marin is a broad-based community coalition dedicated to reducing harm from prescription drug abuse and saving lives.

Intervention, Treatment and Recovery Action Team

1. Overall MAT Prescribing Goal
 - By December 31, 2021, increase prescribing of medications for treatment of OUD, including buprenorphine and methadone, within Marin County by 10%
2. Naloxone Distribution Goals
 - By January 31, 2021 there will be a naloxone drop-in site in Marin City to support equitable access to naloxone
 - By December 31, 2021, support county agencies/Marin County Departments with naloxone kits and expand naloxone reach by hosting at least six (6) naloxone trainings and partnering with Spahr Center
3. Non-Fatal Overdose Linkage to Treatment Goals
 - By March 31, 2021, create a dashboard reflecting key indicators, trends and outcomes related to non-fatal opioid overdoses and linkage to outreach and treatment. At a minimum, data will be disaggregated by race/ethnicity and preferred language
 - By December 31, 2021, there will be a 15% increase in Marin Medi-Cal beneficiaries who have a treatment encounter within 7, 14 and 30 days following a non-fatal opioid overdose
 - By December 31, 2021, there will be an equitable distribution of Marin Medi-Cal beneficiaries having a treatment encounter within 7, 14 and 30 days following a non-fatal opioid overdose when disaggregated by race/ethnicity
4. MAT in Criminal Justice Settings Goals
 - By October 31, 2021, there will be at least one X-waiver training for Jail Medical providers.
 - By January 31, 2021, engage with the Jail Re-Entry team to assess the process for how individuals are identified for Re-Entry services and linked to appropriate community-based treatment services. [Note: Further objectives will be developed, if applicable, following the assessment.]
 - By April 30, 2021, develop a plan and related workflows for jail medical, nursing and pharmacy to implement a sustainable buprenorphine initiation and maintenance strategy to treat OUD in the Marin County Jail
