

RxSafe Marin is a broad-based community coalition dedicated to reducing harm from prescription drug abuse and saving lives.

Law Enforcement Action Team

1. By 12/31/21, RxSafe Marin will offer 1 virtual training for law enforcement partners regarding the current state of prescription drug use in Marin County/California/US
2. By 12/31/20, all Marin County Law Enforcement partners will be assessed regarding their current status and capacity to dispense naloxone in the field and report use to Marin HHS
3. By 12/31/21, conduct a training for all Marin County Law Enforcement agencies on the use of Naloxone in the field and collaborate with agencies to ensure patrol cars carry naloxone
