## **Pharmacists and Prescribers (P+P) Action Team 2022 SMART Goals**

1. Partner with pharmacists for Opioid Awareness campaign
  - Conduct site visits to pharmacies with posters, take-back meds bags and resource information on pain management alternatives
2. Partner with pharmacists to enhance their understanding of the increased opioid use during the pandemic and related topics
  - Present Continuation Education (CE) program on Covid, Mental Health and Opioids to pharmacists
  - Fax all pharmacies to ensure awareness of CE program
3. Contact pharmacies to consider having Narcan on hand to dispense without a prescription upon request
  - Fax flyer about naloxone availability without a prescription
  - Track faxes are received and follow up with any bounce-backs
